Cisco

RE: Data Science Analyst (Intern)

Dear Hiring Manager,

My name is Vivek Belagali and I am writing to apply for the role of Data Science Analyst (Intern). Although I have no professional experience, I am confident that my strong critical thinking, leadership, and problem-solving skills would add value to this position.

I believe that these qualities will help me perform successfully as a Data Science Analyst (Intern) at Cisco. My critical thinking skills will enable me to quickly identify and address any complicated situations I may face while on the job. Additionally, my leadership skills will be crucial in leading teams effectively in challenging projects. Finally, my ability to solve problems will help me create solutions to the issues that I may encounter in the workplace.

I am excited to use my experiences to contribute to the success of Cisco and provide excellent work within the role of Data Science Analyst (Intern). I would welcome the opportunity to discuss my qualifications in more detail with the hiring team.

Thank you for your time and consideration.

Sincerely,
Vivek Belagali
